

Discipline Support Module Summary - Polo

This document provides a summary of the British Canoeing Awarding Body Polo Discipline Support Module for course organisers and candidates.

Overview

The British Canoeing Awarding Body Polo Discipline Support Module is designed to assist coaches who want to gain more knowledge about the specialist discipline of Canoe Polo. The course introduces and explains the basic techniques and coaching strategies. The module seeks to support the continuing process of good coaching practice with the syllabi written to focus on coaches who are likely to be supporting early development athletes.

Audience

The module is aimed at coaches who are interested in developing their knowledge to coach introductory techniques. Paddling skills are not required.

Prerequisites

At the point of registration the following prerequisites are required:

- £17.50 Registration Fee for Delivery Centre Members;
- A British Canoeing Awarding Body Coaching Qualification;
- Age 16 years of age, or older.

Course Length

6 hours.

Delivery

The course includes both practical and theory sessions. Classroom sessions will be supplemented by demonstrations, group activities, videos and worksheet resources.

Coaches will work towards understanding core Polo skills, whilst building specific coaching tools to aid the delivery of fun and productive sessions. The course is designed to be delivered indoors and/or outdoors.

Learning Outcomes

Upon completion of this module candidates will:

- Understand the role of the British Canoeing Polo Committee, International Canoe Federation and competition framework;
- Understand equipment design and its application to Canoe Polo;
- Understand the basic physical and mechanical properties of selected muscles;
- Be able to discuss and analyse selected movements and their application to Canoe Polo;
- Be able to perform analysis of movement patterns and problem solving;
- Be able to deliver practical activities to enhance students' learning and understanding of movement;
- Demonstrate student centred learning and application of knowledge.

After the Course

After completing the module, candidates receive a certificate of attendance.
